

Math Strategies for addition and subtraction

Addition/Subtraction Strategies

- Count on: Start at first, or larger, number!
@... 7, 8, 9, 10, 11, 12, 13
- Making ten: 
- Number line: 
- Math facts: 
- Think addition/subtraction:

because... $13 - \square = 6$ and $6 + \square = 13$
